SECOND SUPPLEMENT to the *Maryland* GAZETTE, of the Week before last. 437

Annapolis, *October* 24, 1765.

September 9, 1765.

A Copy of the REMONSTRANCE *of the Freeholders and Freemen of* Anne-Arundel *County, to Meſſieurs* Worthington, Hammond, Hall, *and* Johnſon, *their Repreſentatives in Aſſembly; accompanied with ſome Inſtructions to them.*

GENTLEMEN,

THE Shock received by AMERICA, and our Province in particular, from ſome late *unconſtitutional Meaſures*, purſued by the *Britiſh* Parliament, in Derogation, as we conceive, of our *ancient inherent Rights and Privileges*, as *Freemen* and *liege Subjects* of the Crown of *Great-Britain*, requires us to be exceedingly circumſpect with Regard to our LIBERTIES, and early to remonſtrate to you Our Repreſentatives in Aſſembly convened, in Support of our RIGHTS thereto; giving you at the ſame Time, ſome few Inſtructions, which we entreat you will ſpecially attend to, and punctually obſerve.

By the *unalterable Law of Nature*, we look upon ourſelves to be Freemen: Providence ſeemingly averſe to the *Miſeries of Slavery*, hath placed us in the happy Eſtate of *Freedom*; And we are conſcious to ourſelves, that we have in no wiſe forfeited, or departed with our *natural Right* thereto. By the *Common Law* of *Great-Britain*, the *Law of our Land*, and declaratory in this Reſpect of the *Law of Nature*, and conſequently of the Liberty of the Subject, we look upon ourſelves alſo to be FREEMEN: Equally Free, with our *Fellow-Subjects*, reſident *within* the *Realm of Great-Britain*: And we truſt we ſhall be eſteemed ſo, by our Sovereign and the World, until it can be rationally ſhewn, that *mere Inhabitancy* in *America*, or any where elſe, *within the Dominions of the Crown of Great-Britain*, but *without the Land* thereof; is ſufficient of itſelf to ſtrip an ENGLISHMAN or his POSTERITY of their natural and civil BIRTHRIGHT, we mean, their FREEDOM: On this Freedom of the Subject aſſerted by us, dependeth, in our Opinions, the *Neceſſity* of his *Aſſenting* by *himſelf*, or his *Repreſentatives*, to *Laws*, in order to his being *bound* thereby; and from ſuch *Aſſent*, ariſeth, as we take it, the *Obligation* of all *human Laws*. How then in Point of NATURAL or CIVIL LAW, are we rightly chargeable, or liable to be burdened, by the STAMP-ACT, attempted to be impoſed upon us by the Mother-Country? Have we aſſented to it *perſonally* or *repreſentatively*? If we have not, which is notorious to the World, the MINISTER'S *virtual Repreſentation*, adduced argumentatively, in Support of the TAX on us, is fantaſtical and frivolous. Can the Parliament by the *Fiction* of a *virtual Repreſentation* impoſe *one* Law on us, *without our Aſſent*; they may alſo *another*; and ſo on, *ad infinitum*: We cannot ſee where the Line is to be drawn: And each *new Law* ſo impoſed on us, may pave the Way to ſome *new Tax*; each *new Tax*, to ſome *new Oppreſſion*;——*Oppreſſion* (unreſiſted) leads in a direct and open Path to *Bondage*; and that to the immediate Privation, and utter Deſtruction of *Liberty*,——of *Property*,——and of *all*, that is dear to us. The *inconveniencies* therefore, ariſing, on the Suppoſition of the Parliament having any ſuch Power, as that of laying *Taxes* on us, without our *Aſſent*, veſted in it; is in our Opinion, no very inconcluſive Argument to the Being and Exiſtence of ſuch a Power, in the *Legiſlature* of any *State* whatſoever, much more of that of *Great-Britain*, which glories in the FREEDOM of its SUBJECTS.

By the *Conſtitutional Laws* of our Mother-Country, the *Birthright* of every *Engliſh* Subject, and conſequently of us *Americans*, liege Subjects alſo of the Crown; It is Ordained and Enacted, "*That no Aid, Prize, Tax, Tallage*, &c. *ſhall be taken or levied without the Good-Will, and Aſſent of the Freemen of the Land.*"——And by the CHARTER of our PROVINCE, it is Expreſsly granted, "That the King, his Heirs and *Succeſſors*, "ſhall at no Time hereafter, ſet or make, "or cauſe to be ſet, any *Impoſition*, *Cuſtom*, "or other *Taxation*, Rate or Contribution "whatſoever, in or upon the *Dwellers* and *In*habitants of the aforeſaid Province, for their "Lands, Tenements, Goods or Chattels, "within the ſaid Province, or to be laden "and unladen within any the Ports or Harbours of the ſaid Province: And it is "charged and commanded, that the above "Declaration be henceforward, from Time "to Time, received and allowed in all his "Courts, and before all the Judges of the "King, his Heirs and *Succeſſors*, for a ſufficient and lawful *Diſcharge*, *Payment* and "*Acquittance*. And all *Officers* and *Miniſters* "*of the King*, his Heirs and *Succeſſors*, are "Enjoined, upon Pain of High Diſpleaſure "of the Crown, that they do not preſume, "at any Time, to attempt any Thing to "the contrary of the Premiſes, or that they "do in any Sort *withſtand the ſame*; but "that they be at all Times aiding and aſſiſting, as is fitting, unto the Proprietor of "our Province, &c. and to the *Inhabitants*, "and Merchants thereof, their Servants, "Miniſters, Factors and Aſſigns, in *the full* "*Uſe and Fruition* of *the Benefit* of this *the* "*Charter*."

And by another Paragraph in the ſame *Charter*, the *Privilege of Legiſlation* is expreſsly *confined* to the Proprietor, and the *Freemen* of our *Province*. The Words of it are as follow: "And we do grant, free, full and "abſolute Power, unto the Proprietor and "his Heirs, for the good and happy Government of the ſaid Province, to ordain, "make, enact, and under his and their "Seals, to publiſh any *Laws* whatſoever, "appertaining either unto the public State "of the ſaid Province, or unto the private "*Utility* of particular Perſons, according "unto their beſt Directions, *of and with the* "*Advice, Aſſent, and Approbation of the* FREE"MEN *of the ſaid Province*, or the greater "Part of them, or of their *Delegates or De*"*puties*, whom for the Enacting of the ſaid "*Laws*, when, and as often as Need ſhall "require, we will, that the Proprietor, and "his Heirs, ſhall aſſemble in ſuch Sort and "Form, as to him or them ſhall ſeem beſt, "&c."

Hence the Foundation of our Claim to be affected by no *Laws*, or *burdened with any Kind of Tax*, but what is laid on us, by *Aſſent* of our *Repreſentatives*, in Aſſembly convened, agreeable with the *Fundamental Laws of the Conſtitution of our Mother-Country*——*our Rights and Privileges as Engliſhmen*, declared and confirmed *by our Charter*;——and the *uninterrupted Uſages and Practice* of our Province, from its firſt Settlement to the preſent Time. And *we do unanimouſly Proteſt*, againſt our being *charged* in any other *Manner*, and by any other *Powers* whatſoever: And we do requeſt of you our Repreſentatives, that this our *Proteſt* may be entered, and ſtand recorded, in your Journal, among the *Proceedings* of your Houſe; if it may regularly be done.

As *Subjects* of *the Crown of Great-Britain*, bearing all of us, *true and faithful Allegiance* to our *Sovereign*; we ſupplicate his moſt gracious *Protection*: And as we conceive ourſelves to ſtand in *equal* Relation to him, with our *Fellow-Subjects*, reſiding *within* the *Realm of Great-Britain*, altho' we are ſo far *diſtant* therefrom; we therefore humbly hope, an *equal* Share of his Countenance and Favour with them: We moſt ſubmiſſively *pray* of him alſo, the *Redreſs* of *our Grievances*, which are *numerous* and *great*, and in particular, the *Repeal*, or even the *Suſpenſion* of the *Operation* of the *Stamp-Act* among us, until the *Legality* of impoſing the ſame on the COLONIES, be fairly diſcuſſed between his *American*, and *Britiſh* Subjects.

And to the End that we may have your beſt and moſt effectual Services rendered us, in all and ſingular the Premiſes, whereon we have largely remonſtrated to you; and may alſo hope to obtain ſpeedy and ſuitable *Redreſs* of our *Grievances*, from the Crown, with the *Repeal*, or even the *Suſpenſion* of the Operation of the *Stamp-Act* among us; WE ENJOIN and REQUIRE YOU, to uſe your earneſt Endeavours,

I. That our *Eſſential Inherent Rights, and Conſtitutional Privileges*, derived to us, as *Britiſh Subjects*, from the clear Fountain of the *Britiſh* Laws——declared and confirmed to us by our *Charter*——and the *Uſages* and *Cuſtoms* of our *Province*, be clearly and diſtinctly Expreſſed and Aſſerted by You in General Aſſembly; and in proper Stile and Mode (which we ſubmit to the Judgment and Diſcretion of your Honourable Houſe,) be entered alſo on your Journal, among your RESOLVES.

II. That a *Committee* be appointed early in the Seſſion by your Houſe, and furniſhed with due Inſtructions, to attend the *Congreſs* to be held at *New-York*, the firſt Day of next Month, there to meet the Commiſſioners from the other Provinces on the Continent, agreeable with the Propoſal in the *Maſſachuſetts* Circular Letter, in order to confer on the Circumſtances of *our Country*, and join in an humble and dutiful Petition to his *Majeſty*, for *Relief* from the *Stamp-Act*, with its numerous Train of complicated *Evils*; and for *Redreſs* of all other of our *Grievances*.

III. We recommend it to you, (as in Gratitude we are bound) to move in your Houſe for a proper Addreſs of Thanks to be preſented to General CONWAY, and Colonel ISAAC BARRE, thoſe *worthy Patriots*, and *diſtinguiſhed Aſſertors* of *Britiſh* and *American* Liberty.

Other Matters unconnected with the above, and which may happen to fall under your Conſiderations, in the Courſe of the Seſſion of Aſſembly; we leave totally to your Skill and Management; and doubt not but you will acquit yourſelves of the Truſts repoſed in you, with the uſual Satisfaction to yourſelves, your Country, and Us your Conſtituents.

IT is a Question frequently put in Converſation, *How ſhall Buſineſs be Tranſacted, ſhould there be no Stamped Paper?* But as the above Queſtion is very general, and the Reaſoning upon it hath appeared to me to be too vague, I have endeavour'd by the following Queries to ſtate it with more Preciſion.

1ſt. Hath the Legiſlature Authority to enact a Law that all Contracts ſhall be void, that Property ſhall ſtagnate, and the Adminiſtration of Juſtice totally ceaſe?

2d. Suppoſe a Law ſhould be made without ſuch Deſign being clearly expreſſed, would a Conſtruction, bringing it to the Effect ſuggeſted in the above Quere upon an Event unforeſeen, and unprovided for by the Legiſlature, be maintainable?

3d. Should the Commiſſioners fail in having the Paper ſtamped according to the Directions of the Statute, or the ſtamped Paper miſcarry at Sea, would the Power to make Contracts remain, might our Trade be continued, Property be circulated, and all Violations of Men's Rights in their Perſons, Liberty, and Eſtates, be redreſſed in the preſent ordinary Courſe, or not?

4th. If the preſent ordinary Courſe might be purſued upon either of the above Events, upon what Principle would it be?

5th. If no ſtamped Paper is to be got, is it not as impoſſible for *A* or *B* to uſe it, as it would be if it did not exiſt?

If it is objected that the People's not having the Uſe of the ſtamped Paper is their own Fault: Quere,

6th. Who are meant by the Term *People*, are *all* the Individuals of the Province meant by it, if ſo, is the Fact True? Are *ſome* Individuals only meant, if ſo, are any other than ſuch to ſuffer for their Conduct; or in other Words, would it conſiſt with Juſtice to puniſh *A* for the Behaviour of *B*?

Yours, &c. A. A.

To General CONWAY, *on his being made Secretary of State.*

UNdaunted Chief! to BRITAIN dear!
Who late was in Diſgrace;
Believe me, I am glad to hear
Your Worth has gain'd a Place!
How Good and Gracious, Wiſe and Great,
Is ****** your R---l M----y;
To give you Firſt a *broken Pate*,
And then apply a *Plaiſter!*

LONDON.

A Letter from Boſton in New-England, dated June 3, breathes the following Complaint.

OUR Trade is in a moſt deplorable Situation, not one fifth Part of the Veſſels now employed in the Weſt-India Trade, as was before the late Regulation; our Caſh almoſt gone before the Stamp and Poſt-Office Acts are to operate; Bankruptcies multiplied, our Fears increaſed, and the Friends of Liberty under the greateſt Deſpondency: What theſe Things will End in, Time only can diſcover.

Extract of a Letter from a Gentleman in Bourdeaux, to his Friend in Limerick, July 6, 1765.

"The Attention of Bourdeaux is now taken up by a famous Phyſician, who cures moſt Diſorders by the Means of Simples; by looking into the Eyes of any Perſon, he not only tells what Diſorders they may have, but thoſe they have already undergone; at what Time, and how they were treated for it; he is never out upon thoſe Occaſions. A young Couple, People of Faſhion, that were married about a Month, attended him a few Days ago: the Lady had ſome Complaints, he gueſſed the Cauſe of them, but went for Diverſion to conſult the Doctor. After due Inſpection, he aſked her, whether he might tell her Diſorder before the Gentleman then preſent (meaning her Huſband) who ſtood by, enjoying his Wife's innocent Mirth. She anſwered with a Smile in the Affirmative: So the Doctor began by telling her, that ſhe was then about 18 Years old, that at the Age of 15 ſhe was brought to Bed of a Daughter, and the Year following of another; that ſhe took Remedies which indeed diſguiſed her Situation, but drove the Milk back into her Blood, and brought on Diſorders, which would ſhortly manifeſt themſelves. The Lady fainted away; the Gentleman ſneaked off, and has not been heard of ſince. What is very remarkable, no Ladies have ſince aſked the Doctor's Advice while any Witneſſes were preſent."

Extract of a Letter from Wareham in Dorſetſhire, Auguſt 10, 1765.

"This little Town has afforded a Pleaſure incident ſince the Great Patriot came into the neighbourhood:" An honeſt-hearted Briton ſent a Salmon to Mr. Pitt, with the following Note: "I "am an Engliſhman, and therefore love Liberty, "and You Sir; be pleaſed to accept of this Fiſh "as a Mark of my Eſteem; were every Scale a "Diamond, it ſhould have been at your Service."

Yeſterday a Man, who goes by the Name of Trump, and belongs to one of the Hampſtead Stages, eat five Pounds and a Half of Beef-Steaks, and two large Bunches of Onions, fried, at an Ale-Houſe in Gray's-Inn-Lane; a three-penny Loaf, and drank two Pots of Porter, for a trifling Wager. His Dinner is generally three Pounds of ſolid Meat, and one Pot of Porter, with Bread, &c. in Proportion; but he neither eats Breakfaſt or Supper. [*Nor ought he to eat Dinner above twice a Week.*]

Extract of a Letter from Dublin, Auguſt 8.

"This Day Newgate was broke open by Soldiers and the Liberty Boys, who turned every Priſoner out, Young and Old; all the City is in an Uproar; the Reaſon of this I cannot poſſibly tell, but there was a Man ſhot on Sunday Morning by a Soldier who was patrolling to quell a Mob; a Serjeant, a Cobbler, and the Soldier were ſent to Newgate, and were refuſed Bail, which, it is ſaid, incenſed the Soldiers; it is thought there will be terrible Work; there is not one Priſoner in Newgate this Night."

BOSTON, *October* 3.

For ſome Days paſt there has been ſhewn in this Town a remarkable large live Hog, whoſe Weight is 973 lb, is upwards of 10 Feet long from the Snout to the End of the Tail, and in Height 4 Feet 2 Inches. It was raiſed at Cape Anne, is between 2 and 3 Years old, and is thought to be the largeſt ever ſeen in this Country.

NEWPORT, *October* 7.

We hear by Letters from New-York, that the Boſton Commiſſioners, after their Arrival there, waited upon Lieut. Gov. Colden, and acquainted him with their Buſineſs in New-York. He received them very coldly, and told them, that the Meeting of the Commiſſioners was unconſtitutional, unprecedented, and unlawful, and that he ſhould give them no Kind of Countenance or Encouragement.

We hear from Boſton, that laſt Week the commanding Officer of the King's Ships in that Port was arreſted, and taken into Cuſtody, for detaining Capt. Hulme's Ship, which brought over the Stamped Papers.

By a Gentleman from Boſton, we are informed, that a Ship arrived there laſt Week from London; and that a Letter from the Maſſachuſetts Agent adviſed, that the Stamp-Act would probably ſoon be repealed.

Extract of a Letter from New-York, October 3.

"On Monday Afternoon the Commiſſioners had a Meeting, at which were preſent thoſe from Rhode-Iſland, Boſton, and S. Carolina, and a ſtanding Committee from the Lower Houſe of this Province, appointed to hold a Correſpondence with the neighbouring Governments upon the Stamp-Act, &c. On Tueſday arrived an Expreſs from the Speaker of the Maryland Aſſembly, informing, that at the Requeſt of ſome of the Members, Governor Sharpe immediately and chearfully called the Aſſembly, who appointed three of the Houſe to attend the Congreſs, who are expected in Town this Evening. Governor SHARPE is much applauded for his Conduct.

ANNAPOLIS, *October* 24.

We have *certain Information* from *Virginia*, that the General Aſſembly of that Colony, which was to have met on the 17th of this Inſtant, is further Prorogued to the 4th of *March* 1766.

In a Letter from a Gentleman of the 21ſt Inſtant, now over in *Dorcheſter* County, he Writes, that he "was an Eye-witneſs to a very uncommon Operation, perform'd on laſt Friday, by Dr. *Thomas Bond*, of *Philadelphia*, he cut *John Hall Caile*, a Child of 4 Years old, for the Stone, and extracted one from him about the Size of an Almond, it weighed 3 *dwt.* 10 *gr.* it was very hard, and very light for its Size: The Operation was perform'd very quick, and the Child is now in a fair Way of Recovery."
